Inclusion Sports Performance Training

we make possibilities limitless

We will make your child's birthday, one to remember

Does your child have a birthday coming up? Looking for a creative, energetic environment at a facility with a great reputation for parties? Then check out Inclusion Sports Performance Training! Our goal is to create a fun, creative and inclusive party atmosphere filled with games, obstacle courses, music and more for any special occasion. Your child will enjoy, the trapeze swing with a foam pit, trampolines along with the choice of a structured activity such as gymnastics obstacle courses, soccer or flag football and cool parachute games! You get private use of our gym and private use of our spacious party room where we set up, host, and clean up. The birthday child even gets a special gift!

Our parties are designed to provide guests with one hour of fun activities with friends and family, and thirty minutes for cake/cupcakes in one of our private party rooms. Your child will engage in fun, creative, inclusive activities. Parties are customized to the needs of our guests.
