

Camp Inclusion

Jun 24-Aug 23, 2024

Imagine your child surpassing competitive barriers, and being accepted just for who they are. Envision your child experiencing joy while continually developing gross and fine motor skills, behavioral and social skills. Now see your child showing confidence, playing, sharing, conversing and working with peers.

***This isn't a dream.
It's Inclusion Day Camp.***

We are passionately committed to children with special needs and their families. We insist on a culture that is compassionate and nurturing. We offer a range of programs and a place where children will be motivated and successful.

This camp is geared towards students that can participate in a group program independently of an aide, parent or care giver. We keep our class size small so that each student can be given what they need in order to thrive and succeed in our program.

We have extensive knowledge and experience working with campers with visual impairment, Autism, Downs Syndrome, Cerebral Palsy, Williams Syndrome, Low Muscle tone, ADD/ADHD and so much more.

***We make possibilities limitless at
ISPT with care for each student and
passion for our work to build an
inclusive environment.***
